

# WE NEED YOUR HELP!

Meals on Wheels of Peters Township is changing our name to  
Meals on Wheels @ The Crossroads.

We are at a crossroads both literally and figuratively. While happily settled in our new kitchen at Donaldson's Crossroads, we face a financial crossroads which could jeopardize our ability to feed seniors in this area. Without an influx of new sponsors and donors, we will experience a significant financial shortfall in 2019. We need your help!

Our meals, which receive rave reviews, are delicious, nutritious and tailored to meet the special dietary needs of our clients. While we employ a small staff, we couldn't

survive without our more than 250 volunteers, who help prepare and deliver meals to seniors from Eighty Four to South Fayette, sometimes driving routes as long as 40 miles and braving the elements to reach seniors in remote locations.

For 44 years, Meals on Wheels @ the Crossroads has been fully supported by community donations! We do not receive any government assistance.

## Here is what Meals on Wheels does:

- Delivers more than 40,000 hot meals to seniors every year;
- Provides daily personal contact with each senior;
- Provides balanced, nutritional meals to our clients at far below cost.
